

Now that you have had an introduction to the Saints, you can begin to consider who you would like to have for your Patron Saint for Confirmation.

You have the option to choose the Saint after whom you will be named. When making such an important choice, it's essential to know something about the Saint for whom you are being named. The Saint Project facilitates this goal.

Saint Project:

The Saint Project can be in essay form, or if you would like to be more creative, you can make a small poster. This will be something for you to keep. It should be in your own words; please don't copy and paste from the Internet. Also, please read your source information *carefully*. Your presentation should be orderly, and it should make sense. Proofread carefully - unless you are reporting a miracle, there should be nothing in your presentation that is physically impossible. Keep it short and to the point – 5-8 paragraphs is fine. At some point along the way you also might be asked to discuss aloud why you chose this particular Saint.

Include at least one picture of your Saint.
